RE: Natural Gas Supplier License Application

Dear Mr. Keilson:

On April 1, 2026, the Pennsylvania Public Utility Commission (Commission) received Evergreen Gas & Electric, LLC's incomplete Application for a Natural Gas Supplier (NGS) license.

Section 7.a of the Application was incomplete or not properly completed (the bonding letters for Columbia Gas of Pennsylvania, Inc. and PECO Energy Company were not included). In order for the Commission to accept the Application for review, this deficiency must be corrected. Failure to respond timely will result in the Application being deemed rejected<sup>1</sup> and the docket will be closed.

Please use the Commission's efilng system or an overnight delivery service to submit the requested information to the Secretary of the Commission **within 20 days** from the date of this letter. Please submit revised Application pages for each section. The Commission accepts all public documents through our efilng system and strongly recommends companies open an efilng account through the Commission's website at <https://efiling.puc.pa.gov>. Use of the efilng system will ensure that submissions by the company are received timely and receipt can be verified.

The overnight address for hard-copy responses is:

Matthew L. Homsher, Secretary  
Pennsylvania Public Utility Commission
