Re: Cancellation Of Certificates of Public Convenience for Common Carriers; Failure to Report Positive Operating Revenue Docket No. M-2026-3061024

Dear Mr. Homsher,

I am writing this letter in response to the possible cancellation of our Certificate of Public Convenience, PUC # A-00114824, Utility Code 703040. I received the tentative order in the mail 04/24/2026.

I am confused as to why we are not in compliance. We file our Motor Carriers - Assessment Report online every year, we are not delinquent with any of our filings and our operating revenue falls under the exempt intrastate revenue as seen on our filing.

I left messages at your office, and I am hoping to receive a call back so I can get a better understanding and clarity as to why our account is in jeopardy of cancellation. Until then, I wanted to be sure I contacted you so that we can move forward and prevent the cancellation of our CPC.

I appreciate your prompt attention to this matter. Thank you and please do not hesitate to reach out to me if you have any questions. You can reach me at the above office number 717-985-9150.

Sincerely,

A handwritten signature in black ink, appearing to read "Roger C. Peifer II".
