RE: Spring Energy RRH, LLC d/b/a Spring Power & Gas  
Docket Number: A-2017-2618308

Dear Secretary Chivetta:

Enclosed please find two copies of Retail Electricity Choice Sales Activity Report for 2025 from Spring Energy RRH, LLC d/b/a Spring Power & Gas ("Spring"). One redacted copy and one unredacted copy, clearly marked "Confidential and Proprietary" as required by the Commission's directions for filing reports.

Pursuant to Section 54.203(a)(4), this report is being filed confidentially and has been marked accordingly. Spring respectfully requests confidential treatment and exception from public disclosure for certain information contained in this report, specifically retail sales. The reason for confidentiality is that Spring is a privately held company and is not subject to public reporting requirements with respect to this information. Spring does not public or make available for use by the general public or its competitors its financial, business operation or tax information, including its retail sales amounts. Release of this information would unduly harm the business of Spring and its competitive interests. The Retail Sales Information sets out commercial sensitive proprietary data, which if disclosed, would enable competitors to obtain valuable competitive information concerning strategies of Spring, given an unfair advantage to its competitors and cause economic injury to Spring. Spring treats this information confidentiality and it is not available to the general public.

Thank you for your assistance in this matter. Please contact me with any questions at 646-568-4408 or [accounting@rrhenergy.us](mailto:accounting@rrhenergy.us).

Regards,

A handwritten signature in black ink, appearing to read "LHAWKINS", written over a light blue grid background.
