Data Request

1. Before your application can be processed further, you are required to provide an acceptable description of the proposed service area. Your request should be limited to a scope which can be supported by your present resources and financial position. As your business grows, additional territories and rights may be applied for. Applicants who request service areas beyond the scope of their resources risk the outright denial of their application, or possible Commission dictated revisions to their original request.

Descriptions of territory which include language such as, “and surrounding counties” are insufficiently specific. Your proposed service area must be fully bound, and easily discernible. This may be achieved by the use of municipal boundaries, roads, railroads, or natural boundaries such as rivers and streams, etc.

**YOU SHOULD ONLY SPECIFY AREAS FROM WHICH YOU WISH TO ORIGINATE SERVICE.**

Example:

- a. Between points in Pennsylvania
  - b. between points in the counties of X, Y, and Z.

  5. Please provide information on your insurance policy, or policy quotes. Include the provider’s name, policy limits, and annual costs. Do/will you pay your premiums in monthly installments, or do/will you pay the entire premium in advance?
  6. Please provide a full disclosure of your federal conviction – to include the dates of incarceration, crimes incarcerated for, and an explanation of when federal custody/supervision ended. Please also include a copy of your current driver’s License.
  7. Please review the below criteria and submit a revised compliant Statement of Financial Position (**utilizing the previously provided form**) **and provide evidence to support the statement (required):**
    - a. The statement presented must be **DATED** and comprised of information **which is less than 6 months old.**
    - b. The submission **MUST** be comprised of information which is **accurate as of the date provided.**

If you have not fully funded and equipped the business, now is the time to do so (before re-submitting your updates). Applicants lacking suitable finances, resources, and equipment will be denied authority.

**Finally, in order to fully assist the Commission in verifying your financial fitness**, please provide supporting documentation for the statement of financial position (balance sheet).
