Dear Secretary Matthew Homsher,

My name is Mark Schaefer and I am the owner of MAS Leasing LLC (Utility # 8921994). I am writing this letter to you as I have received the Tentative Order to cancel my Certificate of Public Convenience, as my company has not reported any revenue for the last two years. I ask that you please consider not suspending my account, as I have not been driving my semi truck for the previous 7 or 8 months as I was taking care of my 8 year old daughter who was diagnosed with stage 4 brain cancer on September 1, 2025. These past few months especially have been very hard for my family and I as my 8 year old has lost her courageous battle on March 23rd, 2026. With that being said, I do plan to return to driving again in the near future provided my account does not get canceled. Thank You for your time and consideration.

Sincerely,

Mark A Schaefer
