

Matthew L. Homsher,

I hereby challenge the cancellation of my C.P.C.

I just purchased another triable dump truck on 4/16/2026 with the intention of returning to the workforce. I have been in retirement for the past 5 years is why my records indicate no or 0 fillings.

So in conclusion I do need my C.P.C. certification and P.U.C. number to be intact for my trucking business.
