April 30, 2026

M-2026-3061024

Att:

Matthew L. Homsher, Secretary

I would like to keep my PUC number and not cancelled

as to I have revenue already this year (2026)

I am working with and going to be working with a few different companies

which I do have and will have Pa Intrastate

Operating revenue to report.

If it is possible to keep it from not being cancelled it would be greatly appreciated.

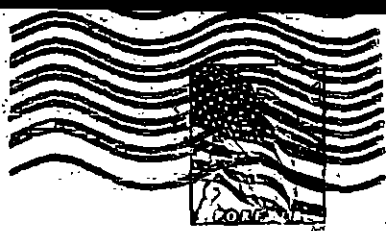

Respectfully,

Debra L. Ross
