**RE: Contest of Tentative Cancellation Order**

**Applicant/Utility Name: James C. Miller Jr.**

**Docket Number: A-2011-2273729**

**Utility Code: 8911903**

**Reason for Contest:** I have continued to operate and have filed my annual reports

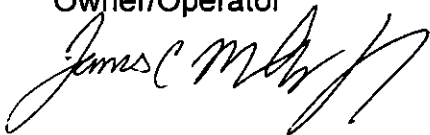

**Grounds for Request:** Cancellation of this certificate would cause undue hardship in my ability to conduct business, despite my full compliance with regulatory requirements

**Request for Action:** I respectfully request that the Commission accept this submission as a timely petition for reconsideration vacating the tentative order to cancel my certificate.

I have been working and filing taxes year after year. I am currently working with Oppy Construction hauling what is available through this company for a Steel Body Tri-Axle. I have already had to haul stone in and out of power plants this year and will need to keep my Utility number active. I will be reporting on this income for 2026 since it is not considered road construction material or waste.

Thank you for your time in this matter.
