Re: Tentative Cancellation Order Letter
U.S. Dot #1159264 - Utility Code 747985

I would like to challenge the tentative order for the cancellation of certificates of Public Convenience for Common Carriers and reporting of operating revenue.

Our business has been filing the annual PUC Assessment Report showing zero due to exempt status of the total revenue as per the following item:

Exemption Item #4 – Waste, Excavated and Road Construction Materials in dump trucks

Please do not cancel our PUC Authority #1159264

Please call Carol at 814-733-4327 with any questions.

Regards,
Carol Fetter
