Matthew L. Homsher, I am writing to formally contest the cancellation of my Certificate of Public Convenience. Joel C. Miller 8912026 Docket#A-2010-2169984. I received the letter stating my CPC would be cancelled for failure to comply with operating and reporting requirements. I filed my 2025 Assessment report on time and reported my Gross Intrastate revenue as I do every year. I drive a Tri-axle Dump Truck and my revenue is exempt according to your rules under exemption #4 Waste, Excavated, and Road Construction Materials. So therefore my Net revenue is zero. I am confused as how you allow these exemptions then imply that I am not in compliance. Instead of cancelling my CPC why don't you take away the Exemptions. This doesn't make sense to me seeing how I have filed this way ever since I have received my certificate on April 28th 2010. The trucking industry changes daily and there is opportunities coming to possibly haul stone out of stone quarry into the new power plant being built and I will need my certificate for that. Please let me know if there is anything else I can do to avoid cancellation. This is my living and I truly need this certificate. If you would let me know of any updates in this matter I would greatly appreciate it. My E-mail address is Klmiller2@aol.com if you need to contact me that way.
