Subject: Objection to Revocation of PUC Number

Dear Commissioners,

I am writing to formally object to the decision to cancel my Public Utility Commission (PUC) number.

I respectfully request reconsideration of this action, as I am actively preparing to engage in for-hire hauling and intend to operate in full compliance with all applicable laws, regulations, and safety requirements. Maintaining my PUC authority is essential for me to lawfully conduct this business activity.

If the revocation was based on missing documentation, inactivity, or another compliance-related issue, I would appreciate the opportunity to correct any deficiencies promptly. I am fully willing to provide any required information or take corrective action to bring my status into good standing.

I respectfully ask that the Commission review my situation and consider reinstating my PUC number, or advise me on the specific steps required for reinstatement.

Thank you for your time and consideration. I look forward to your guidance and a favorable resolution.

Sincerely,

A handwritten signature in black ink, appearing to read "Jonathan Hummel". The signature is fluid and cursive, written over a horizontal line.
