RE: Continuous Bond
Light Star Energy Group LLC
A-2020-3019081

Dear Sir/Madam:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Light Star Energy Group LLC because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

The enclosed financial instrument does not have a raised seal for the surety company.

We have a Continuous Bond dated November 12th, 2025, received on February 18th, 2026 on file for Light Star Energy Group LLC; therefore, no further action is required at this time.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'. The signature is written in a cursive, flowing style.

Matthew L. Homsher
Secretary
