TO ALL PARTIES OF RECORD

Application of Gigapower LLC for approval to alter the public crossing (DOT 266 085 R) by the installation of an aerial fiber optic cable where State Route 1017 (Slocum Street) crosses, at grade, one (1) track of Luzerne County Redevelopment Authority operated thereon by Luzerne & Susquehanna Railway Company, located in Swoyersville Borough and Forty Fort Borough, Luzerne County.

To Whom It May Concern:

By application received by the Commission on February 23, 2026, and revised application received by the Commission on April 8, 2026, Gigapower LLC seeks Commission approval to alter the public crossing (DOT 266 085 R) by the installation of an aerial fiber optic cable where State Route 1017 (Slocum Street) crosses, at grade, one (1) track of Luzerne County Redevelopment Authority operated thereon by Luzerne & Susquehanna Railway Company located in Swoyersville Borough and Forty Fort Borough, Luzerne County.

Gigapower LLC will install an aerial fiber optic cable located within the joint right of way of State Route 1017 (Slocum Street) and Luzerne County Redevelopment Authority to be attached to existing poles. The installation will provide a minimum vertical clearance of 22 feet above the top of rail to the proposed aerial fiber optic cable.

The Commission hereby establishes its jurisdictional limits at the subject crossing as the area within the confines of the railroad right-of-way and the highway right-of-way.

In its revised application, Gigapower LLC states that the proposed installation is necessary to provide the residents of the Borough of Swoyersville with access to high quality fiber internet. Gigapower LLC will be directed to perform the necessary installation, provide for maintenance and protection of highway and pedestrian traffic during installation and accept future maintenance responsibility for the facilities, at its sole cost and expense. The cost of the project is anticipated to be approximately \$10,000.00.

All work is to be performed in accordance with the revised plans hereby entitled: “RIGHT-OF-WAY OCCUPANCY PERMIT 166 SLOCUM ST SWOYERSVILLE BOROUGH, (LUZERNE), PENNSYLVANIA”, consisting of eleven (11) sheets submitted to the Commission on April 8, 2026.

Gigapower LLC has served a copy of the revised application and plans on the Pennsylvania Department of Transportation, Swoyersville Borough, R.J. Corman Railroad Group (parent company of Luzerne & Susquehanna Railway Company), PPL, Verizon Pennsylvania Inc., North Penn Long Distance Corporation, Comcast, ION Holdco LLC, Teleport Communications America LLC, CTSI, LLC, Zito Media/Zito West Holding, LLC, XO Communications, Inc. Gigapower LLC did not serve Luzerne County Redevelopment Authority and Luzerne County with a copy of the application or plan. All parties in interest, including Luzerne County Redevelopment Authority and Luzerne County, were queried by letter dated April 10, 2026, sent by electronic mail as to any objection to the subject revised application and plans. None of the parties have responded with any objection to the subject revised application or plans.

Upon further review by a Commission staff engineer, it was noted that the crossing also lies within the municipal boundaries of Forty Fort Borough. On April 30, 2026, a Commission staff engineer contacted Forty Fort Borough by telephone and sent the subject revised application and plans by electronic mail. On May 7, 2026, Forty Fort Borough stated they did not have any objection to the subject revised application or plans.
