PROTEST

Before the Pennsylvania Public Utility Commission (Commission), pursuant to 52 Pa. Code Sections 5.51, *et seq.*, [*Print Name of Protester*] Judith D. Papek files this Protest to the above-captioned Application(s). In support of this Protest, [*Print Name of Protester*] Judith D. Papek avers as follows:

1. **Name and contact information of the Protester.** [*Provide name and address of Protester.*]

JUDITH D. PAPEK

119 Cooley Estates Rd SMITHFIELD, PA, 15478

412-582-6062

2. **Name and contact information of Protester's attorney.** [*Provide names and addresses of Petitioner's attorneys. If none, clearly state "No attorney representation."*]

No attorney

3. Set out clearly and concisely the facts from which the alleged interest or right of the Protestant can be determined. 52 Pa. Code § 5.52(a)(1).

[Explain why the utility's proposals affect you and/or your interests. For example, you may have an interest in this proceeding as a utility ratepayer, a landowner, a resident near the facilities, and/or a business owner.] OUR property is located near the path of where the proposed power lines will be placed. Studies have shown that high voltage power lines can cause cancer and they interfere with medical devices. I have an implanted spinal cord stimulator that may be affected

4. State the grounds of the Protest. 52 Pa. Code § 5.52(a)(2).

[Explain why you are filing this Protest. For example, you may be concerned with how the Company's proposals will impact utility rates, your property interests, your health and safety, and/or business interests.] Our peace and tranquility has already been affected by the gigantic wind turbines directly above our property, our electric bills are high enough! The wind turbines supply electricity for another estate, not our area.

5. Set forth the facts establishing the Protestant's standing to protest the Applications. 52 Pa. Code § 5.52(a)(3). [Explain how the Siting Application and/or CPC Application will affect you, personally, and/or your interests. For example, you may be concerned that the utility's proposals for the locations of the lines will increase your rates, harm your land or property value, pose an unreasonable danger to health or safety, and/or cause financial harm to your business. In this regard, the PUC must make the following findings relating to the transmission facilities: (1) that there is a need for it; (2) that it will not create an unreasonable risk of danger to the health and safety of the public; (3) That it is in compliance with applicable statutes and regulations providing for the protection of the natural resources of this Commonwealth; and (4) That it will have minimum adverse environmental impact, considering the electric power needs of the public, the state of available technology and the available alternatives. 52 Pa. Code Section 57.76(a)]

We purchased our property almost 30yrs ago because of its beauty and tranquility. Now we will not only hear the noise from the wind turbines, we will have to see those ugly high tension wires

8. **Relief Requested**

WHEREFORE, [Print Name of Protestant] Judith D. Papek respectfully requests that the Public Utility Commission to [Identify the relief that you want. For example, you may want the Commission to not approve the Applications and/or you may want the Commission to investigate and hold full hearings regarding the filings, or both.] _____
We should be able to vote on this. Enough is enough, if other states need more power, let them put up their ugly, dangerous power lines in their own property.

9. Signature and Date

Respectfully submitted,

Judith D. Papek
