I WILL LIKE TO FILE AN EXCEPTION TO THE RULING ON MY CASE

Dear sir /madam

I had called the secretary on the day of the ruling requesting a continuance cos I missed the hearing.it was a honest mistake.i was dialing the wrong number on the day of hearing I was online 30 minutes before the hearing I did not deliberately miss the hearing so am requesting the court to reconsider the ruling and give me another date.i cant have my electric turned off cos I hv my daughter and my mum who had brain surgery 2 years ago living with me I just need a payment arrangement not running away from my bills.thank you

Sincerely

William plange.
