To whom it may concern, I am writing this letter to challenge the tentative order at Docket No. M-2026-3061024.

I own a 2004 Peterbilt, Model-357 Tri-axle, Aluminium body dump truck. I have been leased to Glenn O. Hawbaker Inc. since 2020. I have filed my annual assessment and attached a pdf. each year, either thru the mail or online.

I haul only construction materials, ie; various stone, asphalt and millings from various GOH plants or jobsites to or from many different state highway, bridge, and private road construction jobsites, all of these are only inside the state of Pennsylvania. These materials all fall under the Number 4 exemption of Waste, Excavated and Road construction materials. This is the main focus of my company and the only income I generate is from these jobs. For this reason I am requesting my operating authority not to be canceled.

I appreciate your attention in this matter. Thank you.

Sincerely,

Kevin M. Johnson
