I am writing to request to keep my current PUC no. When I applied for my PUC no., I was required by HEMPT BROTHERS to have a PUC no. to work for them. Most quarries require a PUC no. when you contract with them. New Enterprise, Pennsy Supply, Byler Quarries all require a PUC no. to contract with them.

Even though the work I have been doing over the years for different quarries has been tax exempt under exemption #4, things are changing. To ensure my truck can run everyday, we might have to start hauling loads that are not tax exempt. This is why I am requesting to keep my PUC no. Please contact me if you have any questions.

SINCERELY,

Dave Kaylor, President
