Dear Sir: Docket No M-2026-3061024

I am writing this letter in regards to the PUC. Suspending my PUC number, which is 8912176 Kevin A Gillette Enterprises LLC.

So a couple years ago I suffered a Heart attack. It has not been easy to try and keep my business open. Have had a slower than usual recovery. But I am on the mend now and really need this authority to stay active because I am working on re directing my business into work which will need the PUC authority. So please do not cancel my number.

Thank you

Kevin Gillette
