Dear Matthew L. Homsher

I had received the Tentative order for Cancellation Of Certificate Of Public Convenience For Common Carriers and would like to appeal this decision in your letter I know that I have not claimed any revenue. I had been doing nothing but road work as of right now. Things are slowing up and I might have to find other means of work where I will need the Certificate of Public Convenience. I know when I originally asked that if I hauled landscape material or even road salt that I would be required to have the certificate. I'm an Owner Operator and have 1 Tri - Axel Dump Truck. Any other Question Please feel free to contact me

Sincerely yours,

Ainars Kalnajs
