Re: Cancellation of Certificate of Public Convenience
3061024

Docket No. M-2026-

Dear Mr. Homsher,

We received a letter from you regarding cancellation of our certificate of public convenience for common carriers. **We do not wish to have our certificate of public convenience cancelled.** In 2023 and 2024 we did little hauling for others and reported zero PA Net Intrastate Operating Revenue. The little hauling that was done those two years was exempt revenue. Those two years we did not have much work available to haul for others. Each year is different and hard to predict what work will be available from one year to the next. However, in 2025, we did haul for others and reported a PA Net Intrastate Operating Revenue amount of \$3,535.00. This year, 2026, we have already begun hauling for others and would like to retain our certificate of public convenience as a common carrier. Attached is a copy of our 2025 Assessment Report that we submitted showing revenue. If there is something else that you need from us, please let us know so we can resolve this matter.

Should you have any questions, please call us at 570-922-1839.

Best regards,

Deitre' R. Loss
