Mr. Homsher,

PA Public Utility Commission  
Secretary, Bureau

I am writing this letter to keep our company's PUC privileges. I received a letter from the PUC office about a tentative order cancelling our PUC account.

I have filed our Assessment report on time every year. Our company consists of one dump truck that my husband drives. We have a broker that sends our truck to various jobs. Everything is hauled in the dump truck. We only work in Pennsylvania. The jobs are either at construction sites or road work. He does occasionally haul bio solids to farms for fertilizers.

We don't have set jobs so we can go to a different place every day. If this does not comply with PUC please let me know. I thought this was the kind of company that met the requirements.

Thank you for your time.

Carol Demko
