For Pyzel Corporation Utility 8921691

Dear Mr. Homsher:

Pyzel Corporation is an Interstate trucking company with MC and DOT numbers and remained operational during all filing periods. Our filings of

\$ 0.00 of Intrastate net revenue was due to all our work was conducted Interstate and not because of inactivity.

Yet we would like to maintain the Public Utility Commission's Certificate as well as PA PUC number in case of possible future Intrastate business.

Therefore we respectfully request your reconsideration of suspension / cancellation of our PA PUC certificate / license.

Thank you for your consideration in this matter and please let me know if any further information or documentation is needed and please feel free to contact me at any time. Thank You.

Respectfully,

Paul Pyzel / President.
