Re: 2025 Assessment – Request for Continuation of PUC Authority  
Utility Code: 8916708

Dear Secretary Homsher,

I am writing to explain our late response to the 2025 PUC assessment and to respectfully request that our authority be continued.

My husband Allen and I are owner-operators who drive tractor-trailers coast to coast. When we entered the trucking industry, we obtained our PUC authority because we did not know what routes we would be running and wanted to remain fully compliant regardless of where our work took us. In actual practice, we have rarely needed to utilize the PUC. Last year (2025) was the first time we actively required it.

Due to our over-the-road schedule, we were away from home for an extended time and did not return until after the March 31, 2025 deadline. Immediately upon returning, I (Bonnie) completed the assessment response. It was notarized and mailed on April 20, 2025.

We very much wish to keep our PUC active and are now using it regularly in our operations. We remain committed to full compliance with all PUC regulations going forward.

Thank you for your understanding of the challenges faced by long-haul drivers. I kindly ask that our PUC authority be renewed/continued without penalty.

Sincerely,

Bonnie Kelly & Allen Kelly
