Dear Matthew L Homsher,

I would like you to reconsider cancelling our certificate of public convenience. This year will be the first year that we are hauling stone and asphalt, which will be considered gross intrastate revenue. In the previous years, it has always been considered exempted income (trash, dirt) but I thought we still needed a PUC Number that is why we had it.

If you have any comments, please do not hesitate to contact me.

Thank You

Mark McNabb
