Re: Cancellation of Certificates of Public Convenience
Docket No. M-2026-3061024

I received this letter regarding cancellation of my PUC certificate. I have tried unsuccessfully for the past few days to call the PUC to see exactly what I need to provide so that my PUC certificate isn't cancelled.

I returned the notarized form to you stating my income and exemption 4 plus copies of several of my work orders showing where I am working. I have one Tri Axle dump truck, hauling asphalt, stone and fill, which according to the instructions on the form is the right exemption.

If you need anything else please let me know and I will try to provide it.

Thank you
