**Subject:** Request for PUC Number & Confirmation of Corrected Reporting

To Whom It May Concern,

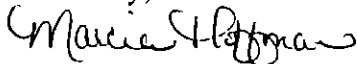

We deliver tires within Pennsylvania and receive revenue for these deliveries, which requires a PUC number. We recently discovered that our last three years of intrastate revenue reporting were incorrect.

Using our access code, we have re-submitted accurate reports for each of the past three years, ensuring each year was filed separately. This letter also serves as our response to the cancellation notice, confirming that the reporting errors have been corrected.

We respectfully request that our PUC number be issued or reinstated so we may continue operations in compliance with Pennsylvania regulations.

Thank you for your prompt attention.

Sincerely,

Marcia Hoffman
