Reference: Docket No. M-2026-3061024

Dear Mr. Matthew L Homsher:

This is in response to a letter received April 29, 2026 from the Law Bureau of the Pennsylvania Public Utility Commission (PUC). T & T Contracting, Inc. (T&T) has not utilized its vehicles for outside hire to date and, therefore, the reporting of zero PUC-jurisdictional revenue is correct. This is to reassure you that our vehicles are lettered with the T&T company name and contact information, which conveys their availability for outside hire. Hopefully, the economy is on the raise, and the trucking business will prevail this year. In the interim, T&T will continue use of its vehicles on our own contracted site projects and will remain open to provide service to others under the terms of our PUC authority. T&T requests that the PUC not revoke our certificate. In case an opportunity does occur for outside hire of our vehicles, T&T would be in compliance with the rules.

T&T understands that it is under a continuing obligation to report PUC-jurisdictional revenues (even if there is no revenue) and to pay assessments based upon jurisdictional revenues. T&T understands that if it does not generate and report PUC-jurisdictional revenue at some point in the future (and pay assessments thereon), the issue of whether T&T has abandoned its authority may be revisited. Further, T&T understands that it must keep its insurance filing current and its contact information on file with the PUC up to date.

Thank you for the opportunity to state our case and provide this information.

Sincerely,

Thomas Davis
President
