Re: Docket No. M-2026-3061024

Castle Family Transport, LLC – Comment Opposing Cancellation of Certificate of Public Convenience

Dear Secretary Homsher:

Castle Family Transport, LLC respectfully submits this comment regarding the Tentative Order in the above-referenced matter.

Castle Family Transport, LLC remains an active motor carrier in good standing. The company's federal operating authority remains active (MC #047405), USDOT registration remains active (DOT #3046342), and the company is current on insurance, registrations, and required filings. While the company has not recently reported positive Pennsylvania intrastate operating revenue, this reflects the nature of recent regional operations and shipment mix rather than any abandonment of service or cessation of business. Castle Family Transport, LLC remains operational and seeks to maintain its Pennsylvania Certificate of Public Convenience in order to lawfully perform Pennsylvania intrastate transportation when customer demand and routing needs require.

Accordingly, Castle Family Transport, LLC respectfully requests that the Commission not cancel its Certificate of Public Convenience and allow the authority to remain active.

Thank you for your consideration.

Respectfully submitted,
Douglas Castle
