To whom it may concern:

In response to item 1 on the request for information letter:

We switched insurance companies back in 2023. At this time our new agent did not send the new insurance certificate to the PUC. We also at the time where only hauling our own equipment. Since that time we switched insurance companies again. When I found out that our PUC was canceled we re-applied immediately, contacted our new agent to make them send the PUC the proper insurance information to get that handled. We also just recently were ask to haul stone for one of your customers. With that being said we need to make sure our PUC was valid.

In response for item 2 on the request for information letter:

I did log on line and complete 2023 and 2024 assessment reports. I am not sure that I did them correctly. As all the revenue from those reporting periods was from us hauling our own equipment and own products.

Thank You
