

Docket No. A-2026-3061616  
GLYCOL TECHNOLOGIES, INC.

Request for Information

RCVD PUC SEC BUR  
APR 14 2026 AM 10:48

Regarding your answer to Question #10 on your Application for Motor Common Carrier of Property, where you were asked "what commodities you intend to transport" – Please answer the following questions:

- 1.) Per FMCSA, you are listed as a "Private Property" carrier. Your website also indicates that you produce the commodities you intend to transport. Will you be transporting any other commodities other than your own?  Yes  NO

If so, please be specific and list the commodities other than your own that you intend to transport and in what capacity.

We have been transporting our own commodities for many years. We are looking to expand our services and start transporting commodities owned by others.

- 2.) Will the *Non-hazardous chemicals, Natural gas processing equipment and Steel* being hauled be used to complete projects exclusively associated with Glycol Technologies, Inc., or any of its affiliates?  YES  NO

Hauling will be for Glycol Technologies & other companies seeking our service.

- 3.) Will the commodities you listed (*Non-hazardous chemicals, Natural gas processing equipment and Steel*) be transported by Glycol Technologies, Inc. to purchasers directly from Glycol Technologies, Inc.?  YES  NO

If no, please explain:

Yes for our own products. Once we have our PUC & NC in place we will start hauling property owned by others.
