RE: Tentative Order Docket M-2026-3061024
PUC # A-001177517

MAY - 5 2026

Dear Mr Homsher,

PA Public Utility Commission
Secretary's Bureau

This letter is in response to the letter I received on April 25, 2026, Canceling my PUC number A-00117517. I am challenging that cancellation.

I own my Triaxle dump truck. I work as a subcontractor to Companies that work for utility Companies. We excavate and install gas mains, water mains or electric lines. We go into a town excavate existing lines and replace them with new. I haul the dirt from the site and stone and asphalt to repair the streets.

When I file the assessment report I use exemption number 4, "Waste, Excavated and Road Construction Material", which explains the work I do correctly. Since this is the only work I do, the amount that I gross is the amount that is exempted.

As stated I work as a subcontractor for these utility Contractors 100% of the time.

Please reconsider your decision. Thank you.

Sincerely

Mark DePermentier
