Request for Information

- 1.) In Question #10 of the application, you listed “motor vehicles-salvage; to and from salvage auction(s)” as the commodities being transported. Please explain in detail how this can be considered public transportation and not incidental transportation that is related to your business as an Auto Body Shop.

****NOTE**** The Pennsylvania sales tax exemption is not a valid reason to seek PUC authority. To qualify, you must provide for-hire transportation services that fall under PUC jurisdiction. All revenue reported on your annual PUC Assessment Report (AR-XX-MC) is subject to audit. If every transportation service you provide is exempt from PUC oversight, you should not apply for PUC authority.

It is unlawful to claim or use sales tax-exempt status when you are not providing qualifying utility services. Individuals or entities that do so may face legal action and prosecution.
