RE: Assessment Report Filed Docket No. M-2026-3061024

Mr. Homsher, I'm writing to you because I filed my company's Assessment Report back on March 20, 2026, and mailed it Express Mail on 3/20/26 to Public Utility Commission, Fiscal Office, 400 North Street, Harrisburg, PA 17120. This is the address listed on the instruction sheet of the Assessment Report.

Based on USPS tracking (I have enclosed) the envelope was delivered to a Harrisburg Post Office on March 23, 2026 at 1:45 p.m. However, I have been told by the mailing post office (Uniontown, Ohio 44685) (receipt enclosed) that when an envelope is received by a post office and the entity it is shipping to usually has a post office box; the postal employee or person sorting the mail will put the express mail piece in the PO Box even though it does not contain a PO Box address. This appears to have been the case with my filing of my company's assessment report.

I do not feel this is neglect on my part and is of no fault of mine. I have enclosed my company's Assessment Report, Tracking copies of the Express envelope I originally sent, receipts of the cost for the Express Mail and the receipt for notary services.

I would like to ask for leniency on behalf of my company for our PUC Certificate to remain active and in force. My company's PUC Certificate is A-0019111.

Providing courier services to a mail hub owned by an Ohio based electric company is the reason for our PUC certificate. We receive no revenue from any company other than the Ohio based utility.

A reply/response of some means would be greatly appreciated.

Respectfully,

Vera Hall-President

Dear VERA HALL

The Pennsylvania Public Utility Code, 66 Pa. C.S. §510(b), requires every public utility to file with the Commission a statement, under oath, showing its gross intrastate (jurisdictional) operating revenues for the preceding calendar year. Enclosed is the Assessment Report (Form AR-25-MC) that all Motor Carriers, including those registered with the Federal UCR program, must file with the Commission on or before **March 31, 2026**. No extensions will be granted. Revenue is estimated for companies who fail to file the Assessment Report. Estimated revenue is legally binding.

Utilities have the option to file their annual Assessment Report electronically via the Commission's Assessment Revenue Reporting Portal, or by completing the enclosed paper form (AR-25-MC). Filing through the portal is strongly recommended because it is the most efficient method. Your report is received immediately, and you will have confirmation of your submission. Additionally, when filing your assessment report through the portal, notarization is not required.

To file online, please visit <https://portal.puc.pa.gov/>. The following information will be needed to login:

Utility Code: 705815

Access Code: 259B3J6B7Z4

If you choose to file a paper form, please carefully read the enclosed instructions. The completed original report, with signature and notarization, must be filed with the Commission's Assessment Section no later than **March 31, 2026**.

Please file using only ONE method- through the portal OR on the paper form. Do NOT file both ways. Any questions regarding Assessment Reports should be directed to the Assessment Section at (717) 265-7548, or via email at pucassessments@pa.gov.

Sincerely,

Matthew L. Homsher
Secretary

PENNSYLVANIA PUBLIC UTILITY COMMISSION

INSTRUCTIONS FOR PREPARING 2025 ASSESSMENT REPORT FOR MOTOR CARRIERS

You have received this form because you currently hold a certificate of public convenience with the PA PUC. As such you must report your gross intrastate operating revenue for calendar year 2025 on the 2025 Assessment Report, which is enclosed. You are required to sign, notarize, and file the 2025 Assessment Report with the Commission on or before **March 31, 2026**. If you prefer to file a hard copy of this report, please choose a guaranteed method of delivery to ensure timely receipt. **THE PUC WILL NOT GRANT AN EXTENSION OF TIME TO FILE THIS REPORT.** Failure to file this form could result in fines of up to \$1,000 for each day it is late (66 Pa. C.S. 3301), revocation of your certificate of public convenience, and PennDOT will place registration suspensions on your vehicles.

WHO MUST FILE: All common carriers certificated by the Commission. Common Carriers include property carriers, passenger carriers, and household goods carriers. Carriers subject to the UCR Act must file this report, even though qualified UCR operations of carriers registered under the UCR Act will not be assessed if this report is filed timely.

WHAT YOU MUST FILE: The enclosed Assessment Report (AR-25-MC) must be completed in its entirety to be accepted as final. This includes signatures and notarization along with receipt in the Commission's Assessment Section on or before March 31, 2026. **This report form may not be modified.** Please be sure to include a valid telephone number for the contact person to answer questions, if necessary. LINE-BY-LINE INSTRUCTIONS

Line 1. *Pennsylvania Gross Intrastate Operating Revenue.*

Report Pennsylvania gross intrastate operating revenue here. This is earned gross revenue from your public utility operations within the boundaries of the Commonwealth of Pennsylvania, without deduction of expenses of any kind. Fuel surcharges must be included as revenue. Revenue must be reported in the appropriate column. For example, if all your revenue was from the transportation of property, you must report all revenue in the 'property' column. If your revenue was from 2 or more types of common carriage, you must report the amount of revenue received from each type, in the appropriate column.

Line 2. *Pennsylvania Exempt Intrastate Revenue Total.*

Report Exempt Intrastate Revenue here. You must itemize any exemptions on the "Exempt Intrastate Revenue" lines on the Report. Please see the list of allowable exemptions on page 2 of the instructions. **You must include the exemption number, the amount of the exemption, and all corresponding verifying documentation for the exemption. Attach additional sheets of paper, as needed, for explanation of your exemption(s). ~~The PUC will disallow your exemption(s) if you fail to itemize or fail to provide the requisite verifying documentation.~~** All verifying supporting documentation will be treated as confidential. Total all exempt revenue on Line 2.

Revenue earned from service under the jurisdiction of the Philadelphia Parking Authority must be reported as exempt revenue, you may use number 11 from the exemption list.

Line 3. *Pennsylvania Net Intrastate Operating Revenue.*

Subtract Line 2 from Line 1. This revenue is used to calculate your assessment. If this report is not filed or filed late, your net revenue will be estimated. This estimate is binding.

UCR REGISTRATION INFORMATION

You must check the appropriate box. If you are an interstate carrier and required to register under the UCR Program, you must check 'yes' and provide your U.S. DOT number. Further information on the UCR Program may be found at www.ucr.gov.

AUTHORIZATION FOR ABANDONMENT

If you are no longer in business or desire to cease operations, you may direct the Commission to cancel your certificate of public convenience. You must state the reason for the abandonment and sign in the assigned block on the back of the report. 

EXEMPT REVENUE

The following is a description of Exempt Revenue you may deduct on Line 2, as provided by 66 Pa.C.S. §102:

1. **LEASE REVENUE** – You may deduct lease revenue. Lease revenue is revenue a certificated carrier (lessor) receives when it leases its equipment to another certificated carrier (lessee). The lessor carrier cannot retain any responsibility for the maintenance, supervision or control of the vehicle. The leasing arrangement must be in compliance with the Commission's leasing regulations, which are found at 52 Pa. Code sections 29.101 (passenger carrier leasing) and 31.32 (property and household carrier leasing). The lessor must include in its assessment report the name(s) of the carrier(s) and the certificate of public convenience number to which it leases its equipment and the amount of revenue received from the carrier. Lessees cannot use rental/lease fees paid to the lessor to offset operating revenue and must report, for assessment purposes, all revenues earned under their certificate of public convenience.
2. **TRANSPORTATION OF K-12 SCHOOL CHILDREN** – You may deduct revenue you received from a kindergarten through 12th grade public, private or parochial school for the transportation of school children for school purposes or school sponsored extra-curricular activities, under a bona fide transportation contract with a public, private, or parochial school.
3. **TRANSPORTATION OF AGRICULTURE PRODUCTS** – Farm owners and operators may deduct revenue from transporting their own agricultural products from, or farm supplies to, their farm. In addition, independent contractors, or cooperative agricultural associations, transporting agricultural products or farm supplies exclusively for one or more farm owner(s) or operator(s), may deduct that revenue.
4. **WASTE, EXCAVATED, AND ROAD CONSTRUCTION MATERIALS** – You may deduct revenue you received from transporting ashes (including anti-skid, flue dust and fly ash), rubbish and waste for disposal. The PUC also allows the exemption/deduction of any revenue you received for transporting excavated materials in dump trucks. The purpose of the excavation is to create a hole or cavity. Removing material of value for use elsewhere is NOT exempt. The PUC also allows the exemption/deduction of any revenue you received for transporting road construction materials if a dump truck is used, and the materials hauled are used solely in a private or public road project including driveways (but NOT parking lots), and the materials are hauled directly to road construction sites or stockpiles. Carriers may **not** claim a revenue exemption for waste, excavated and road construction material when those materials were transported in five-axle tractor-trailers.
5. **TRANSPORTATION OF YOUR OWN PROPERTY**- You may deduct revenue you received from transporting your own property to yourself or to those that buy directly from you.
6. **VOTING MACHINES** – You may deduct revenue you received from transporting voting machines to and from polling places on behalf of any political subdivision of the Commonwealth for use in any primary, general, or special election.
7. **TRANSPORTATION OF WOOD PRODUCTS FROM WOODLOTS**- You may deduct revenue you received from transporting pulpwood, chemical wood, saw logs, wood chips, or veneer logs solely from woodlots. A woodlot is an area devoted to growing forest trees. Any revenue received from transportation performed from sources other than the woodlots is subject to assessment and may not be deducted.
8. **TRANSPORTATION OF WRECKED OR DISABLED VEHICLES** – You may deduct revenue you received from the transportation of wrecked or disabled motor vehicles from an accident, breakdown, or a place the vehicle was transported after the accident or breakdown, if it is subsequently transported for repair. Revenue from transportation of wrecked or disabled vehicles to or from auctions is NOT exempt.
9. **TRANSPORTATION OF STOLEN OR REPOSSESSED VEHICLES**- You may deduct revenue you received from the transportation of stolen or repossessed vehicles. Revenue from transportation of stolen or repossessed vehicles to or from auctions is NOT exempt.
10. **TRANSPORTATION OF INJURED, ILL OR DECEASED PERSONS** – You may deduct revenue you received from transporting an injured or ill person to a health care facility, when that transportation is performed in an ambulance or a medically equipped vehicle containing portable oxygen. A medical attendant must be in the vehicle in addition to the driver. A health care facility includes a hospital, clinic, dialysis center, nursing care institution, home health agency, infirmary, or behavioral service provider. A doctor's office is NOT a health care facility. In addition, you may deduct revenue you received from transporting deceased persons.
11. **TRANSPORTATION UNDER CONTRACT WITH MUNICIPAL CORPORATIONS**- You may deduct revenue you received from passenger transportation performed under contract with a municipal corporation, provided that: (1) the municipal corporation actively regulates your rates, routes and services; and (2) the transportation is limited to municipal residents. This deduction does not apply to contracts with state agencies.
