Matthew Homsher,

I am writing in response to the tentative order I received regarding you not receiving my 2025 Assessment Report-Motor Carriers.

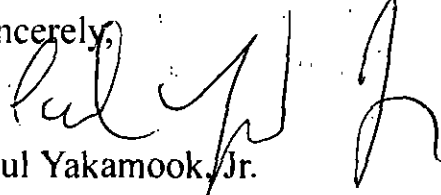

My trade name is Paul Yakamook, Jr, and my Utility Code is 8920644. My assessment report was mailed at the beginning of March 2026.

As indicated by my assessment report, \$57,890 revenue was reported. My truck is used exclusively for the transportation of wood products from wood lots. This revenue was then deducted in full as per exemption #7. Supporting documentation was with the report.

This should resolve the regulatory requirement, and I should be considered active on the utility lists maintained by the Commission's Bureau of Technical Utility Services and the Fiscal & Assessments Section of the Bureau of Administration.

If you require additional information, I can be reached at the above address or by phone at 717-994-4416.

Sincerely,

  
Paul Yakamook, Jr.
