RE: Docket No. M-2026-3061024

May 1, 2026

Dear Matthew Homsher,

My name is Deborah Galante, President of KANS, Inc.

I am challenging the cancellation of KANS, Inc (utility code # 8915361) Certificate of Public Convenience. For the following reasons:

We have operated continuously since June of 2009.

We have filed all our reports annually and on time.

We have reported revenue for all those years but listed that revenue as exempt.

I am not sure why you are canceling our CPC. I have left numerous phone messages (April, 28th, 29th & 30th) since I received this letter and have yet to hear back from anyone. I also sent an email asking for a phone call, But only received an auto email response, below.

I need to know why I received this cancellation order. Please contact me so we may discuss.

Regards,

Debbie
