To whom it may concern,

I am writing to challenge the tentative order at Docket No. M-2026-3061024. Farrell Transportation PUC# A-00113849 (Utility code 702452) has reported \$0 intrastate revenue for the past two years because all operating revenue was generated at the interstate level. However, because of the companies that I currently haul loads for, the possibility still exists that intrastate revenue could be generated. The business is based in Pennsylvania and I am available to companies to provide services to them when they have a load to deliver within Pennsylvania. Therefore, I am requesting that my Certificate of Public Convenience (CPC) be maintained.

Thank you,

Timothy Farrell
