**RE: Comments on Tentative Order – Docket No. M-2026-3061024**

**Utility Code: PUC: A-00119015**

Dear Secretary Homsher,

Please accept these comments in response to the Tentative Order entered on April 16, 2026, regarding the proposed cancellation of Certificates of Public Convenience for failure to report positive operating revenue.

I am writing to formally contest the cancellation of the Certificate of Public Convenience held by Olliver Services, LLC.

Contrary to the findings in the Tentative Order, I have remained active in maintaining my regulatory requirements. Specifically, I have already filed the required assessment reports detailing my intrastate operating revenue. I have attached my reporting for last year. I intend to continue providing continuous and uninterrupted service as a common carrier under the Public Utility Code.

I respectfully request that Olliver Services, LLC, be removed from Appendix A of this proceeding and that our Certificate of Public Convenience remain in good standing.

Thank you for your time and consideration of this matter.

Sincerely,

Richard Olliver  
Owner

Dear RICHARD A OLLIVER

The Pennsylvania Public Utility Code, 66 Pa. C.S. §510(b), requires every public utility to file with the Commission a statement, under oath, showing its gross intrastate (jurisdictional) operating revenues for the preceding calendar year. Enclosed is the Assessment Report (Form AR-25-MC) that all Motor Carriers, including those registered with the Federal UCR program, must file with the Commission on or before March 31, 2026. No extensions will be granted. Revenue is estimated for companies who fail to file the Assessment Report. Estimated revenue is legally binding.

Utilities have the option to file their annual Assessment Report electronically via the Commission's Assessment Revenue Reporting Portal, or by completing the enclosed paper form (AR-25-MC). Filing through the portal is strongly recommended because it is the most efficient method. Your report is received immediately, and you will have confirmation of your submission. Additionally, when filing your assessment report through the portal, notarization is not required.

To file online, please visit <https://portal.puc.pa.gov/>. The following information will be needed to login:

Utility Code: 705769

Access Code: 259T9B5H6R6

If you choose to file a paper form, please carefully read the enclosed instructions. The completed original report, with signature and notarization, must be filed with the Commission's Assessment Section no later than March 31, 2026.

Please file using only ONE method through the portal OR on the paper form. Do NOT file both ways. Any questions regarding Assessment Reports should be directed to the Assessment Section at (717) 265-7548, or via email at [pucassessments@pa.gov](mailto:pucassessments@pa.gov).

Sincerely,

Matthew L. Homsher  
Secretary
