Re: Cancellation of Certificates of Public Convenience for Telecommunication Utilities; Failure to Operate or Report Any Intrastate Operating Revenue at Docket No. M-2026-3059781

Dear Jeffrey Evans:

On May 7, 2026, the Pennsylvania Public Utility Commission (Commission) issued a Secretarial Letter stating that your Certificate of Public Convenience (CPC) was to be cancelled and could no longer be used to provide public utility service in the Commonwealth of Pennsylvania (*May 7th Secretarial Letter*). This Secretarial Letter was issued in error by the Commission. PennWisp LLC was neither part of the Commission's March 12, 2026 Tentative Order, nor was the notice of cancellation sent via the United States Postal Service or published in the Pennsylvania Bulletin, as indicated in the Secretarial Letter. As such, please disregard the *May 7th Secretarial Letter* since it was issued as a result of an administrative error and your company's CPC has **NOT** been cancelled by the Commission as stated in the *May 7th Secretarial Letter*.

Accordingly, the Secretarial Letter dated May 7, 2026, in the above-referenced matter is hereby RESCINDED.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.

Secretary
