Re: Tentative Order – Cancellation of Certificate of Public Convenience
Docket No. M-2026-3061024

To Whom It May Concern,

This letter is in response to the Tentative Order proposing cancellation of our Certificate of Public Convenience due to an alleged failure to report positive operating revenue.

Our company is active and did report positive operating revenue for the applicable period. The Pennsylvania PUC Assessment Report was filed on February 12, 2026, and reflects operating revenue of approximately \$108,000 (Report is included in this package.)

It appears this action may be based on an administrative error or a delay in processing the submitted report. We respectfully request that the Commission review our filing and withdraw the proposed cancellation.

Please let us know if any additional documentation is needed to resolve this matter.

Sincerely,

Vincent Herring
