To Whom It May Concern,

This letter is our Petition for Reconsideration from Staff Action in accordance with 52. Pa. Code Section 5.44, regarding Cancellation of Certificates of Public Convenience for Common Carriers, Docket No. M-2026-3061024.

It has been brought to my attention that the PA PUC Assessment Report has been repeatedly filed incorrectly by the previous Financial Manager that I had employed. Upon her departure, she failed to properly disclose a multitude of responsibilities that she had been "handling" as well as misguided her replacement on countless other occasions. I currently have management investigating all available records and information to be able to file the report correctly, if we can do so, instead of receiving a cancellation.

As this is the first time that we have encountered this situation, I am unclear on how to proceed from this point. At the time of writing this letter I do have a phone call into the PUC for proper instructions, but I am awaiting a response.

Thank you,

Robert Berger
