PA Public Utility Commission
Secretary's Bureau

Dear Mr. Homsher,

This letter is in regards to docket # A-2021-3025807 Tentative Order of cancellation of my PUC certificate (A-8924126) due to Failure to report positive operating revenue. I feel this may be an unjust and improper decision based on the fact that to my knowledge I have in fact submitted all the necessary paperwork on time to stay in compliance with PUC Regulations. I am enclosing copies of the last two years assessment reports that I did in fact file showing that I did have operating Revenue and also that I had to pay to file them and also show I did them before the required deadline. For these reasons I am a little confused on why I am receiving this tentative order and hope this is just a miscommunication. Please let me know what other info you would need to clear this issue up as soon as possible .

Sincerely,

Daniel T. Seitz
