Request for Continuance

This is being submitted by Camille Sholock. I am requesting a continuance of the phone hearing scheduled for those Thursday, May 14, 2026. I understand that this request comes inside the 5 day window, however the reasons I am requesting the continuance have just occurred.

1. I am waiting for guidance from my bankruptcy attorney.
2. I am not able to be absent from work.

I am hopeful a continuance can be granted but fully understand if it cannot be. In the event that it cannot be, I will not be able to attend the hearing.
