Subject: Formal Comment Regarding Pending Cancellation: Docket No. M-2026-3061024

Dear Commissioner(s),

I am writing to formally request reversal of the recent notification for cancellation of my PUC Number **8921319**, which I was received notification via by mail on April 27, 2026.

I respectfully request that the Commission review this decision and reinstate my operating authority. The cancellation appears to have been based on failure to report positive operating revenue. However, when filing I believed we were under the exemption rule due to transporting our own products. We can certainly provide further information or correct anything that you may need to accomplish reinstatement of our PUC number.

Given my history of compliance and commitment to operating within all regulations, I respectfully request that the Commission reconsider and reinstate my PUC Number. I am prepared to provide any additional information or attend a hearing if necessary.

Thank you for your time, understanding, and consideration of this matter.

Sincerely,

Devin Hollenbeck
