PA PUBLIC UTILITY COMMISSION
SECRETARY'S BUREAU

Dear Sir,

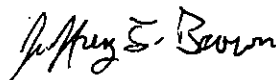

Since my previous letter of May 1, 2026, it has come to my attention you may have a question of my need for a CPC account. Let me assure you I most assuredly have a real need for that account.

The company, (Susquehanna Gas Field Securities Inc.) I am leased to hauls both exempt and non-exempt loads. The last two years I have had the opportunity to choose the residual waste loads, but the load availability is becoming less so there is a real probability I may be hauling fresh water (non-exempt) in the near future. To be fully utilized, I must be able to haul both types.

Please contact me at (570) 406-9926 to discuss this matter.

Thank you,

Jeffrey T. Brown
