M-2026-3061024-AEL-5/14/26

May 13, 2026

I am submitting a request to not Cancel my PUC certificate do to the fact that it is used on a bid won job bases. I have not used it the last 2 years for the fact that I have not won any bids. I have just received notice that I won a job starting in July 2026 that it will be needed for hauling of materials. The project won will be hauling material for the Mifflintown water company.

Thanks,
Jason Peterson
