RE: Cancellation of Certificate of Public Convenience for Common Carriers;  
Failure TO Report Positive Operating Revenue  
Docket No. M-2026-3061024

Mr. Secretary:

I am writing to address the tentative order entered April 21, 2026.

I would like to explain that when we initially applied for our Certificate of Convenience, we had a potential customer that we were going to haul their roll-off containers for them. During the process of obtaining our COC the customer then went elsewhere for the services. I would like to keep the COC, if possible, for any future clients, however I understand if we are not able to. I would like to keep a good record for our company in case we ever do need to apply for the COC in the future.

We appreciate your time and understanding while evaluating this decision.

Thank you,

Jon Tedesco  
Vice President
