RE: PUC TENTATIVE ORDER

Dear Mr. Homsher:

This letter is in response to the Pennsylvania Utility Commission's Tentative Order dated April 16, 2026.

Elk County Excavating LLC would like to continue using our PUC # A-8924333.

In Pennsylvania, a PUC number is mandatory for motor carriers engaged in transporting property or passengers for compensation. This requirement applies to trucking firms, household moving services, limousine services, bus operators, and transportation network companies such as Uber and Lyft. Issuance of this number is essential for safety, insurance, and potential compliance purposes.

I appreciate your review of this matter and look forward to hearing from you.

Thank you.

Sincerely,

Amy L. Auman
