Re: Approval of Revised Scope of Work to the Contract between FirstEnergy Pennsylvania Electric Company on behalf of Met-Ed, Penelec, Penn Power, and West Penn Rate Districts<sup>1</sup> and CLEAResult for Marketing, Outreach and Technical Program Services for Act 129 Phase IV Commercial and Industrial Energy Solutions for Business Programs and Energy Management Programs.  
M-2020-3020820

Dear Mr. McHugh:

This letter acknowledges that Commission staff has reviewed the Revised Scope of Work to an existing Act 129 Conservation Service Provider (“CSP”) contract between FirstEnergy Pennsylvania Electric Company (“FirstEnergy”) and CLEAResult Consulting Inc. (“CLEAResult”), filed with the Commission on April 16, 2026, for Marketing, Outreach and Technical Program Services for Act 129 Phase IV Commercial and Industrial Energy Solutions for Business Programs and Energy Management Programs.

The *Phase IV Implementation Order*,<sup>2</sup> *inter alia*, required all Electric Distribution Companies (EDCs) subject to Act 129 to submit, for Commission review, all proposed contracts with CSPs. (*Phase IV Implementation Order*, Section G, pages 114-117). The Commission must review, and may order the modification of, these proposed contracts. 66 Pa. C.S. § 2806.1(a)(8).

---

<sup>1</sup> On January 1, 2024, FirstEnergy Corp.’s Pennsylvania operating companies (i.e. Metropolitan Edison Company, Pennsylvania Electric Company, Pennsylvania Power Company, and West Penn Power Company) merged into FirstEnergy Pennsylvania Electric Company. Due to the merger transaction, FirstEnergy became successor in interest to all matters previously belonging to the individual Pennsylvania operating companies. As such, the customers of the former Pennsylvania Electric Companies have their own separate and distinct rate district under FirstEnergy’s tariff.

<sup>2</sup> *Energy Efficiency and Conservation Program Implementation Order*, Docket No. M-2020-3015228 (June 18, 2020) (*Phase IV Implementation Order*).

FirstEnergy is advised that the above-referenced CSP contract amendment is approved.

Furthermore, we note that approval of this filing does not constitute a determination that such filing is consistent with the public interest and that the associated costs or expenses are reasonable or prudent for the purposes of cost recovery. These issues will be addressed by the Commission in any appropriate plan approval and cost recovery proceedings.

The determinations in this Secretarial Letter have been made by PUC staff under authority delegated by the Commission. Parties have the right to seek reconsideration of this staff action. Parties may seek reconsideration of these directives by petitioning the Commission within twenty (20) days after service of this Secretarial Letter. *See* 52 Pa. Code § 5.44 (relating to petitions for appeal from actions of the staff).

Please direct any questions to Frank Capasso, Assistant Counsel, Law Bureau, at (717) 425-5440.

Sincerely,

Matthew L. Homsher  
Secretary
