Pa PUC Attn Matthew L Homsher,

I am responding to the letter dated 4/16/26 regarding the tentative order canceling Pa PUC Numbers. My name is Jeremy Ricker owner of JR's Towing PA PUC A-8915193. I do need to keep my PUC number active. Over the past few years I have been in the process of expanding my business. During these years I was only able to focus on Emergency Roadside towing, which is exempt per PUC guidelines. The expansion of JR's Towing is nearing completion and as such I have started accepting work other than Emergency Roadside towing. The majority of my business activities will remain Emergency Roadside towing, however I already have revenue for 2026 that is required to be reported and fees paid and as the year goes on will generate more than I currently have. Please do not cancel my PUC number.

Thank you,

Jeremy Ricker
