

Cover Letter — Corrected Formal Complaint

May 13, 2026

To the Secretary's Bureau:

Re: Corrected Formal Complaint Against PECO Energy Account No. 5694376000 — Mark S. Lockett

Please accept this corrected Formal Complaint in place of the previously eFiled version. The original filing was rejected due to an error on Section 7a, which was incorrectly marked "Yes." We did not file an informal complaint through the Bureau of Consumer Services. We contacted PECO directly. The corrected form reflects this with Section 7a marked No, Section 7b marked Yes, and Section 7c completed accordingly.

Please reject the previous filing and accept this corrected version.

Respectfully,

Mark S. Lockett
